

REMARKS

Claims 65 and 68-103 are pending in this application. Claims 68 and 85 have been amended to correct claim dependency. Claims 66 and 67 have been canceled and their limitations have been incorporated in amended independent claim 65. Applicants note that claim 67 has been indicated as being allowable if "rewritten in independent form to include all of the limitations of the base claim and any intervening claims." (Office Action at 3). Accordingly, amended independent claim 65, which now incorporates all limitations of canceled claims 66 and 67, is now in condition for allowance. Applicants also acknowledge with appreciation the allowance of claims 92-103.

The title of the invention has been amended to more clearly describe the subject matter of the claimed invention.

Allowance of all pending claims is solicited.
